In accordance with Local Rule 56-2 of the Local Rules for the United States District Court of the Northern District of California and paragraph 7 of the Standing Order of this Court, Plaintiff California Alliance of Child and Family Services (the "Alliance") and Defendants Cliff Allenby and Mary Ault submit this joint statement of undisputed facts in connection with the parties' cross motions for summary judgment set for hearing on September 24, 2007.

The following is a list of material facts undisputed by the parties:

0		UNDISPUTED MATERIAL FACT	SUPPORTING EVIDENCE
9	1.	Congress enacted the Adoption Assistance and Child Welfare Act ("Child Welfare	42 U.S.C. §§ 670 - 679b.
10		Act") in 1980. The Child Welfare Act is	
11		codified at 42 U.S.C. §§ 670 - 679b.	
	2.	The Child Welfare Act establishes a	42 U.S.C. §§ 670-679b.
12		cooperative federal-state program that assists	12 0.5.0. 33 070 0750.
13		states in meeting the costs of providing	
14		foster care to children. Pursuant to this cooperative program, the federal	
		government and the state governments share	
15		the cost of providing funds for licensed third	
16		parties (e.g., group homes) that care for these children.	
17			
18	3.	The Child Welfare Act and related federal	See, e.g., 42 U.S.C. §§ 670-679b.
		regulations require states receiving federal aid to provide foster care for a child when a	
19		court has determined that it is necessary	
20		under applicable law that the child be	
21		removed from his or her home and placed in out-of-home care.	
22	4.	To become eligible for federal funding, a	42 U.S.C. § 671(a), (b); 45 C.F.R. §§
23		state must submit a plan for financial assistance to the Secretary of the U.S.	233.110, 1355.21, 1356.20, 1356.21.
24		Department of Health and Human Services	
25		("DHHS") for approval. As a prerequisite	
25		for DHHS approval, the submitting state must agree, among other conditions, to	
26		administer its foster care program pursuant	
27		to the Child Welfare Act, related regulations,	
28		and policies promulgated by the Secretary of DHHS.	
∠o ∥	A/720647		

5.	Pursuant to the Child Welfare Act, a state must designate a state agency to administer and/or supervise the administration of the approved state plan.	42 U.S.C. § 671(a)(2).
6.	Pursuant to the Child Welfare Act, a state must amend its approved plan by appropriate submission to the Secretary of DHHS whenever, among other instances, necessary to comply with alterations to the Child Welfare Act and/or federal regulations or policies.	45 C.F.R. § 1356.20(e)(1).
7.	The Child Welfare Act requires that states participating in the cooperative program provide "foster care maintenance payments" on behalf of eligible children to child-care institutions, including group homes.	42 U.S.C. §§ 671(a)(2), 672(b)(2); 45 C.F.R. § 1356.21(a).
8.	"The term 'foster maintenance payments' means payments to cover the cost of (and the cost of providing) food, clothing, shelter, daily supervision, school supplies, a child's personal incidentals, liability insurance with respect to a child, and reasonable travel to the child's home for visitation. In the case of institutional care, such term shall include the reasonable costs of administration and operation of such institution as are necessarily required to provide the items described in the preceding sentence."	42 U.S.C. § 675(4)(A).
9.	For all periods relevant to this matter, the California Department of Social Services ("DSS") has been the state agency responsible for submitting the California state plan to the Secretary of DHHS for approval and, subsequent to receiving that approval, received federal funding that was intended to cover a portion of the foster care maintenance payment made to group homes on behalf of eligible children.	Cal. Wel. & Inst. Code §§ 11229, 11460(a), 11462(a).
10.	DSS uses a Rate Classification Level ("RCL") system to establish payment rates for foster care group home programs.	See Cal. Wel. & Inst. Code § 11462.

1			
2	11.	A group home program is assigned to one of	See Cal. Wel. & Inst. Code § 11462(f);

6		child care and social work staff, (2) the qualifications of the staff, and (3) the hours	
7		of Mental Health Treatment services	
8		provided. The total number of points generated equates to a specific RCL and	
9		corresponding rate. With the exception of two group homes having grandfathered-in	
10		rates, all of the group home programs with the same RCL receive the same AFDC-FC	
11		payment rate based on the standardized	
12		schedule of rates in state law. DSS determines group home's RCL and,	
13		consequently, the AFDC-FC payment rate, based on information submitted by the group	
14		homes.

1 2 3 4		California Necessity Index ("CNI"). Since this time, the standardized schedule of foster care rates established under the RCL system has been increased by approximately 27 percent.	
5 6 7 8	14.	The CNI is a weighted average of increases in various necessary costs of living for low-income consumers, including food, clothing, fuel, utilities, rent, and transportation. Various statutes require state entities to use the CNI when calculating cost-of-living adjustments.	See, e.g., Cal. Wel. & Inst. Code §§ 11453, 11462.
9 10 11	15.	Since the 1990-1991 fiscal year, the increase in average actual costs that some group homes incur to care for and supervise children exceeds 27 percent.	Parties stipulate to this fact.
12 13 14	16.	The CNI has increased from the 1990-1991 fiscal year by approximately 59 percent through State fiscal year 2006-2007.	Parties stipulate to this fact.
15 16 17 18 19 20 21	17.	The percentage of actual costs that group homes recoup through the RCL system has diminished over time due, in part, to (1) an increase in the actual costs associated with food, clothing, shelter, daily supervision, school supplies, a child's personal incidentals, liability insurance with respect to a child, and reasonable travel to the child's home for visitation, and (2) "new" costs that group homes must incur to satisfy added federal, state, and county requirements.	Parties stipulate to this fact.
22 23 24 25 26 27	18.	The amounts comprising the standardized schedule of rates remained unchanged at their original 1990-91 levels in State fiscal years 1991-92, 1992-93, 1993-94, 1994-95, 1995-96, 1996-97, and 1997-98. They were increased by 6% effective July 1, 1998, by 2.36% effective July 1, 1999, by 2.36% effective July 1, 2000, and by 2.96% effective July 1, 2000.
